Dear Parents and Carers

This is to inform you that the school was notified this morning of an incident involving students from the school. Both students were riding bikes to school and one was knocked off their bike by a vehicle. Police were notified by a witness and attended the scene, however it appears only minor injuries were sustained and there was no need for an ambulance to be called.

To the school's knowledge, no other student was impacted by this incident. If you are concerned about your son/daughter having witnessed the accident, please contact the school.

I take this opportunity to remind parents and students of the need to be cautious and observant when journeying to and from the school.

Yours sincerely
